Applicant respectfully disagrees. Applicant notes that the claims on file are all directed to radio resource management. The claims are directed to different aspects of a single inventive concept. The support for linking the different aspects may be found, for example, at page 16, lines 22-31. Withdrawal of the Examiner's objection under U.S.C 121 is respectfully requested.

Applicant respectfully requests reconsideration of this application, based on the foregoing amendments and remarks.

Respectfully Submitted,
